AKC To Acknowledge Titles Earned In North America Diving Dogs Events

(Tuesday, June 03, 2014)

New York, NY -The American Kennel Club® (AKC®) will now recognize titles earned by dogs competing in events sanctioned by North America Diving Dogs (NADD), an independent governing body for canine dock diving. NADD offer two types of competition for all dogs -- distance jumping and air retrieve.

"NADD events are an exciting activity that can be enjoyed by all purebreds and mixed breeds. The AKC is pleased to now be able to acknowledge the achievements of all dogs in this sport," said Doug Ljungren, AKC Vice President of Sports and Events.

"North America Diving Dogs strives to promote the sport of canine dock diving in a setting that is convenient, safe and enjoyable for all dogs and owners," said Debbie Markwardt, President of NADD. "We welcome all dog owners to try out dock diving. We know you'll enjoy the camaraderie and fun!"

In the **distance jumping** competition, there are two classes -- Open Class (any size dog welcome) and the Lap Class (for dogs under 16" at the withers). A division title is earned by accumulating five qualifying jumps within one division. There are five divisions ranging from Novice to Elite. After earning the initial division title, dogs can earn Advanced and Excellent level titles by completing additional qualifying jumps.

In the **Air Retrieve** competition, a dog and handler team earns one qualifying grab towards a division title based on their longest grab in the Air Retrieve. Like distance jumping, a division title is earned by accumulating five qualifying grabs within one division, and there are five divisions ranging from Novice to Elite. Additional Advanced and Excellent titles can be earned with additional qualifying grabs.

Rules governing NADD events, the complete titling requirements and information about how to sign up to host a NADD event can be found [here](#). Specifics about the NADD/AKC titling program and the AKC title application form can be found in the [AKC Title Recognition Program](#) section of the AKC website.

Keep Cool! American Kennel Club Offers Dos and Don'ts For Summertime Safety

(Monday, June 02, 2014)

Summer is right around the corner and with the warmer weather and longer days comes more time spent outside with your four-legged friends. Summertime can, however, pose certain dangers to dogs. The American Kennel Club (AKC®) offers the following tips to help dog owners have a safe summer season with their pets.

- DO keep cool and hydrated.** When the temperatures rise, the hot weather can make your dog very uncomfortable, even leading to overheating and heat stroke. Supervise your dog outside in the heat and make sure he has access to shade. Also make sure there's always fresh water both indoors and out. If your dog does appear to be overheated, apply cool, wet cloths to his pads, belly, and head.

- DON'T leave your dog in a hot car.** Never leave your dog alone inside of a hot car, even with the windows open. On an 80-degree day, the inside of your car can reach 125 degrees very quickly.

- DON'T treat your dog's paw pads like shoes.** Contrary to what people may think, your dog's paw pads are not like shoes. Sidewalks and streets can become extremely hot, and even though paw pads are tougher than human feet, they can still get burned by hot pavement. Walk your dog on the grass during extreme heat to keep his paws cool. Don't forget that hot sand can burn your dog's paw pads too, so try and take your walks early in the morning or later in the evening when it's cooler out.

Buckhorn Valley Kennel Club meets the first Monday of every month at Mulligan's Pub

Public Education ~ Upcoming Events

Continental Divide Herding Association

is hosting a fun-filled,

Conformation/Herding/Barn Hunt Clinic on June 21st.

AKC TRACKING PRIVATE LESSONS

Looking for a fun, positive activity your dog will enjoy?

TRY TRACKING!

In this past year, my students have earned numerous
titles including 6TDs, 5 TDXs, 2VSTS and
Champion Tracker titles.

Seminars presented across the country have resulted
in many additional titles for those who attend.

Over 20 years experience, including 5 TDXs, 2 VSTS,
and 2 Champion Trackers on my own dogs.

From the Editor

June is Busting Out All Over!

Our temps are high, and then they are low. Love you Colorado, you always keep us on our toes ;)

I hope that you are all safe from the flooding and high waters related to the intense snow melt.

Don't forget to send me your "Brags" on personal achievements and titles earned so that we can have that page including in the upcoming Newsletters.

blessings,

Sandy
