I am very excited to announce that this year's trophies
will be original pieces and prints by Northern Colorado's
Nationally Recognized Artist Pam Furumo!

If I sound like a broken record.....and I know that I am probably 'preaching to the choir', but... sorry ;)

Heatstroke can be deadly.

Share this image to help pet parents learn the signs!

The signs of heatstroke include:

- Excessive or exaggerated panting
- Lethargy
- Weakness
- Drooling
- High fever
- Dark red gums
- Rapid heartbeat
- Unresponsiveness to commands and surroundings
- Vomiting
- Collapse
- Staring/anxious expression
- Warm/dry skin

If you think your pet may have heatstroke, head straight to your vet's office. It could save his life!

AKC/BVKC SUMMER SAFETY TIPS

- If kept outside, make sure your pet has plenty of shade. Remember that doghouses are not good shelter during the summer as they can trap heat.
- Make sure your dog has access to plenty of cool, fresh water 24 hours a day. If your dog travels with you, bring along water and a bowl.
- Never leave your dog in a vehicle on a warm day. Even with the windows open the temperature inside a car can rise to over 100 degrees in a matter of minutes.
- It's fun to take your dog with you to run errands, but if you can't bring your dog inside the store, it's best to leave him home. Tying a dog outside a store is dangerous because he is exposed to the hot sun and strangers who could be unkind.
- Avoid strenuous exercise on extremely hot days. Take walks in the early mornings or evenings, when the sun's heat is less intense.
- Make sure your dog's vaccinations are up-to-date. Dogs tend to stay outdoors longer and come into contact with other animals more during the summer months.
- Keep dogs off lawns that have been chemically treated or fertilized for 24 hours (or according to package instructions), and away from potentially toxic plants and flowers.

Visit http://www.akc.org/pdfspublic_education/hazardous_plants.pdf for a list of toxic plants.

- Mosquitoes (which carry heartworm disease) along with fleas and ticks are more prevalent in warmer months. Ask your veterinarian for an effective preventive to keep these parasites off your dog.
- Many dogs like swimming, but some cannot swim or may not like the water. Be conscious of your dog's preferences and skills before putting him in the water. Always supervise your pet while swimming.
- Chlorine from pools and bacteria from streams, lakes and ponds can be toxic for a dog's system. Always rinse your dog with clean water after swimming. Beware of the wildlife that may pose a danger to your swimming pet. Some catfish are known for attacking small dogs.
- Many airlines will not ship animals during summer months due to dangers caused by hot weather. Some will only allow dogs to fly in the early morning or in the evening. Check with your airlines for specific rules. Shipping policies can be found at

http://www.akc.org/pdfs/canine_legislation/airline_chart_0605.pdf.

- If traveling by car, keep your dog cool by putting icepacks such as frozen water bottles in his crate. DO NOT use freezer ice packs which contain poisonous materials. Make sure the crate is well ventilated.

For more traveling tips visit http://www.akc.org/public_education/travel.cfm.

- Be aware that asphalt can quickly get hot enough to burn the pads of dogs' paws. In hot weather, walk your dog on the grass or dirt where it is cooler.

BVKC Committee Reports

Show Committee ~ Our next Show Committee meeting for 2013 will be on Wednesday, July 17 at Kim's house. It's never too soon to get plugged in for next year's show, so please contact Kim if you would like to be involved with the planning process

Kim: 970.219.9858
kakreutzfeldt@gmail.com

Tracking Committee ~ Our next Tracking Event will be on **July 7th** at CSU for a VST (Variable Surface Tracking). Stay tuned for more information next month as to how you can participate in this event. The tracking committee would love more spectators and volunteers! For more information contact:

Carol Pernika: tracker@lpbroadband.net
Anita Eley: eleyanita@gmail.com

Herding Committee ~

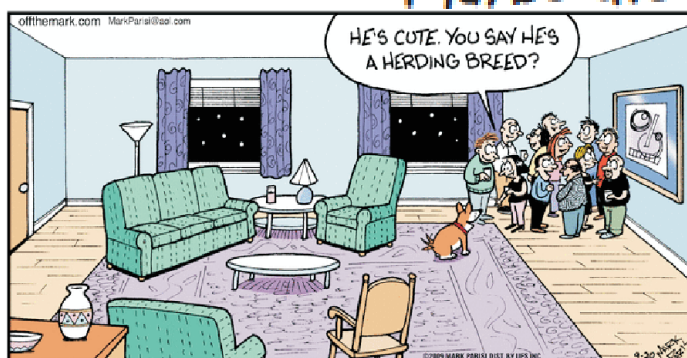

BVKC has an upcoming Herding Instinct Test on **July 8th**, and AKC Herding Trials/Tests **July 12th & 13th** and **13th & 14th**

For more information on how you can become involved in Herding Events contact:
Val Manning TerraNorte@aol.com

BVKC Committee Reports

AKC Herding Instinct Certification Event

Has your dog been -
Herding the cats
Maybe the kids?

Perhaps it's Time to Help
Release the
"Inner Sheepdog"!

Bring your dog to one of these events for a Herding Instinct Evaluation:
Cost is \$30/evaluation. If your dog receives 2 passing evaluations,
they are eligible for an AKC HIC title.

Buckhorn Valley KC HIC
Judges: Carol Lucero and Terry Wilson
Monday July 8th 5 PM to dark
Rancho Terra Norte', Wellington CO

For registration information contact:

Val Manning
TerraNorte@aol.com

BVKC Members Send Condolences

It is still painful to write.....but on June 7, we lost Ch Diavolino's Impression D'Ankhu. It was an extremely sudden loss, and it has hit me hard. Imp was our first show IG, and was the co-star in the movie Good Boy!. In the short space of 3 months we lost our 3 foundation IG's. The 3 Witches of Eastwick are now running free at the rainbow bridge.

To brighten my life...Dee...aka Ch Donmar's Tax Deduction delivered 2 puppies on June 13. The long awaited male heir has arrived, along with a lovely girl. Not to be outdone, Umpty...aka Ch Ankhu-Anji's Angel of the Knight, delivered 6 puppies on June 16. 3 boys and 3 girls. So far everyone is doing well, and we are looking forward to getting back into the show ring, with a UKC and AKC show next month!

Ankhu's Steamy Windows' was WB at the Toy show, for another 2 points. She just needs 5 singles for her AKC title now. Perri, Ch Ankhu-Anji's Don't Stop Believn' was Select bitch 2 days for Grand points.

That weekend had much sadness to it, as we also had our Aussie girl Piccino's All that Glitters entered at those shows. Somehow she got a cut on her knee Friday night, so we pulled her and I took her for stitches Saturday AM. In the process of collecting Glitter to return her to me, she was dropped, and broke her front leg. My vet was wonderful about it, and is paying all the fee involved, including physio therapy at the VCA clinic here in Loveland. Glitter is recovering well, but will not be back in the show ring until the Denver shows.

*Serena & Gary Galloway
Ankhu's Italian Greyhounds*

You may Control/click on the following link to see a beautiful memorial for Imp. I'm sure that Serena will allow me to share:

AKC TRACKING PRIVATE LESSONS

Looking for a fun, positive activity your dog will enjoy?

TRY TRACKING!

In this past year, my students have earned numerous titles
including 6TDs, 5 TDXs, 2VSTS and Champion Tracker titles.

Seminars presented across the country have resulted in
many additional titles for those who attend.

Over 20 years experience, including 5 TDXs, 2 VSTS, and 2
Champion Trackers on my own dogs.

From the Editor

Friday night , June 28th. my other 4legged girl was in trouble!

This is the tree that broke; note distance to front of fence and Drift's shelter!

If the tree had fallen backward across the shelter, it would have killed her ;(Thank you God for Saving my girl.

blessings,
Sandy
